Tackle Challenges in your Lab

Eppendorf Xplorer® / Eppendorf Xplorer® plus

Why you will love it

The perfect fit and combination to reduce your lab carbon footprint. Enjoy tips made from 90% bio-based polypropylene (renewable resources) and increase your pipetting accuracy by up to 60% (compared to mechanical pipettes).

Buy 5+ boxes of epT.I.P.S.® BioBased pipette tips and **save 50%** on a single-channel Eppendorf Xplorer pipette. Buy 10+ boxes to unlock a multi-channel option.

www.eppendorf.link/xplorer

epT.I.P.S.® Box 2.0: Accessorize with an extra reload box and **save 20%**.

www.eppendorf.link/biobased-eptips

epT.I.P.S.® 384 — micropipette tips: We are re-stocking our warehouse, **save 20%**.

www.eppendorf.link/eptips384

Eppendorf Mastercycler® X40

Why you will love it

Enjoy fast PCR optimization with a 12-column gradient, and use the SafeLid to protect samples from evaporation. Pair it with Promega™ PCR products for reliable performance.

Purchase a Mastercycler X40® and receive €1,000 of **FREE**** Promega PCR products. Limited availability; full details available on our website.

www.eppendorf.link/mastercycler-x40

Eppendorf twin.tec® Trace PCR Plates **BioBased**: Buy now and **save 18%** on 1 pack or **20%** on 2+ packs.

www.eppendorf.link/twintec-biobased

CellXpert® C170 & C170i

Why you will love it

The fan-less design with seamless stainless-steel chamber provides easy cleaning and contamination prevention, with excellent recovery and homogeneity of CO₂ and temperature after door opening.

Save 18% when you buy this cell culture incubator.

www.eppendorf.link/cellxpert

Eppendorf CryoCube® F570h / F740hi

Why you will love it

Efficient insulation to keep your samples safe. Eppendorf ULT freezers protect your samples thanks to rapid temperature recovery and pull-down times.

Save up to €6,690 on ULT freezer packages: CryoCube® F740hi (3 compartments, half loaded with racks) or CryoCube® F570h (5 compartments, half loaded with racks).

www.eppendorf.link/freezer-family

Eppendorf CryoStorage Vials: Buy now and **save 25%**

www.eppendorf.link/cryostorage-vials

Eppendorf benchtop centrifuges

Why you will love it

Whether you're spinning samples in a 24-place rotor while saving precious bench space, or need versatile samples volumes up to 4 L together with high-throughput, you can find your perfect fit with this micro- and multipurpose centrifuge offer.

Upgrade bundle: save up to 23% on selected centrifuges + rotor, and get 1-year extended warranty for **FREE**.

www.eppendorf.link/centrifugation

Eppendorf Conical Tubes 25 mL: Buy now and **save 25%**.

www.eppendorf.link/conicals-25ml

Eppendorf high-speed centrifuge

Why you will love it

Improve throughput, capacity and speed — all in one device. Optimal solution for biomass harvesting, pelleting of cells, or extraction, precipitation, concentration, purification of nucleic acids and proteins.

Save up to €17,000 on Centrifuge CR22N + rotor R9A2.

Promotion details: These promotions are valid from September 1, 2024 until December 31, 2024, subject to availability. Promotion code "WhatsNext2024". Please visit www.ependorf.com/promotions for a detailed list of selected promotional products. Multiple promotional offers can be combined within a single order, limited to one promotion per item. Cannot be applied on a past order. No cash redemption. Shipping costs may apply.

* Please visit www.ependorf.com/promotions for a detailed list of selected promotional products. These offers are available to customers in the European Economic Area, European Free Trade Association, Albania, Bosnia and Herzegovina, Kosovo, Montenegro, North Macedonia, Serbia, and United Kingdom.

** You could receive up to €1,000 (or the equivalent value in local currency) of selected Promega PCR products for free as test samples when you purchase an Eppendorf Mastercycler® X40 between September 1 – December 31, 2024. This saving applies to products advertised at list prices and excludes plasticware. Please visit www.ependorf.link/mastercycler-x40 and www.promega.com/ependorf-mastercycler-x40 for specific product inclusions and availability. This offer is only available directly from Eppendorf and Promega, in the countries of Austria, Belgium, Denmark, Estonia, Finland, France, Germany, Iceland, Ireland, Luxembourg, Netherlands, Norway, Poland, Spain, Sweden, Switzerland, United Kingdom. This offer is only available to individuals who have not previously purchased PCR products from Promega, with a limit of one redemption per lab, up to a maximum of 50 redemptions in each Promega brand area. Please contact the Promega customer service team (www.promega.com/contact) if you have any questions about this offer.

(1) 'Eppendorf Environmental Days' contest: Entry is available on the remaining following dates in 2024: September 21 – 28; October 5 – 19. On these selected dates, simply answer the contest question and provide your name and email address to enter. Three winners will be selected from entries received during each contest period. Visit www.ependorf.link/letscaretogether to participate and view the terms and conditions of this contest.

(2) Purchase of Eppendorf demonstration equipment is valid on quotation only: contact your sales representative to obtain your personalized discount level. Eppendorf may make changes to the available demonstration equipment at any time, such as (but not limited to) withdrawal or modification of product availability.
