Accelerate results with our solutions

Benchtop Centrifuge 5430/R

Why you will love it

Combine the small footprint of a microcentrifuge with the versatility of a multipurpose centrifuge in one product. Centrifugation at 30,000 x g for shorter centrifugation times.

Save on Centrifuge 5430/R.

www.eppendorf.link/centrifuge5430/R

Benchtop Centrifuge 5910 Ri

Why you will love it

With its wide range of 12 different rotors, the Eppendorf 5910 Ri centrifuge covers a broad spectrum of applications, from low-speed swing-bucket rotors to high-speed fixed-angle rotors capable of handling very small tubes to large bottles.

Save on Centrifuge 5910 Ri.

www.eppendorf.link/centrifuge5910Ri

Eppendorf ThermoMixer® F and Eppendorf MixMate®

Why you will love it

Whether working with 0.5/1.5/2.0 mL vessels or plates (MTP/ DWP), the customized Eppendorf ThermoMixer® F family offers a tailored solution for your application.

Straight mixing required? The 3-in-1 MixMate® can not only vortex, but also reliably mix your plates and tubes in seconds.

Save on Eppendorf ThermoMixer® F or MixMate®.

New & Coming Soon

NEW — CellXpert® CS220

The only CO₂ incubator shaker in the market with an integrated 180 °C sterilization and an outstanding capacity-to-footprint ratio.

www.eppendorf.link/accelerate-your-growth

COMING SOON — epMotion® 4-channel dispensing tools and accessories

Our new 4-channel tools streamline automated nucleic acid purification, reducing manual steps and boosting lab efficiency.

www.eppendorf.link/epMotion

COMING SOON — Safe-Lock tubes BioBased 0.5/1.5/2.0 mL

We are expanding our biobased consumables with an eco-friendly version of our renowned Safe-Lock tubes. Stay tuned!
